

Working Title: 2013 Laryngology Fellow

Official title: CLINICAL INSTRUCTOR(D54NN)

Degree and area of specialization:
MD - Otolaryngology

License/certification:
WI medical license or eligible for
Board Certified or eligible for

Minimum number of years and type of relevant work experience:
5 years of an ACGME accredited residency preferred

Principal duties:

The University of Wisconsin Department of Surgery, Division of Otolaryngology is offering a one year clinical fellowship in Otolaryngology. This position provides a unique opportunity to interact with adult and pediatric otolaryngologists, speech pathologists, and voice researchers in a clinically active, high flow-through, multidisciplinary setting for treatment of voice, swallowing and airway disorders. Clinical experience will be comprehensive and include office evaluation, office-based procedures, and operative interventions. The applicant will learn surgical techniques for the treatment of benign and malignant vocal folds lesions, surgical and non-surgical management for neurologic, psychogenic and inflammatory disorders, swallowing dysfunction and airway stenosis. Training in video stroboscopy, high video speed, voice analysis, QOL, transnasal esophagoscopy, EMG, and high resolution manometry. Research participation is required and initiation is expected. Also includes teaching of medical students and residents within the scope of the clinical practice.

This is a one year terminal position with the potential for a one year extension.

Additional Information:

International Medical Graduates:

To be eligible to apply for a clinical fellowship at the University of Wisconsin, International Medical Graduates must meet the following requirements:

- * Be able to obtain an unrestricted medical license from the State of Wisconsin
- * Be eligible for an H-1B visa or have already obtained permanent residency or naturalization

PLEASE NOTE: J-1 visa's are not permitted for clinical work at UW-Madison at this time.

A criminal background check will be conducted prior to hiring.

A period of evaluation will be required
