

Working Title: **Speech Pathologist**

Official title: SR CLIN SPCH PATHOLOG(R62BN) or CLIN SPCH PATHOLOGIST(R62DN) or ASSOC CL SPCH PATHOL(R62FN)

Degree and area of specialization:
Master's degree in speech-language pathology is required.

License/certification:
Must be eligible for Wisconsin licensure and ASHA certified (CCC-SLP).

Minimum number of years and type of relevant work experience:
3 years minimum experience in medical setting preferred; experience with voice is necessary. Experience in diagnostics including acoustics, stroboscopy and flexible endoscopy, in addition to providing voice therapy is also preferred. Prefix level will be determined by relevant years of experience.

Principal duties:
The Department of Surgery at the University of Wisconsin-Madison is seeking a motivated healthcare professional to fill a full-time Clinical Speech-Language Pathology position in the Division of Otolaryngology Head and Neck Surgery. This position will provide diagnostic and treatment services for voice disorders to an outpatient Otolaryngology - Head and Neck Surgery population at a nationally known, state of the art Voice and Swallowing Center here within the University of Wisconsin Hospital and Clinics. This is an exciting opportunity to work clinically and academically on a multidisplinary team that includes multi-specialty physicians and speech-language pathologists. This position will be actively involved in the teaching of residents, medical students, Masters level SLPs and Clinical Fellows. Administrative and academic responsibilities including program development and cutting edge research is also expected.

Additional Information:
To learn more about the Department of Surgery please visit www.surgery.wisc.edu. A caregiver background check is required.
A criminal background check will be conducted prior to hiring.

A period of evaluation will be required
